

Sponsorship for: Players, Clubs, Coaches and Leagues

We are passionate about table tennis and we dream to see table tennis become a main stream sport in the UK for the health and well-being of players of all ages and abilities.

Our mission is to implement a structured table tennis learning system to encourage new players improve their skills, enjoy the sport and build new friendships. We hope to attract more players into the sport - growing table tennis from grassroots.

Will you dream with us and help us turn our dream into reality?

You can support us by registering as a member on HurricaneTT.com. A one-time registration fee is only £25. You will get a free HurricaneTT Shirt and a HurricaneTT Wristband. You will also get 20% member's discount when you buy table tennis equipment on DHS-tt.uk, excluding items with already reduced prices.

DHS-tt.uk is working with HurricaneTT to provide sponsorship for all table tennis players in UK. We have formulated below a simple model to sponsor as many players as possible sustainably:

Member

Anyone can register as a member of HurricaneTT. You will get a free HurricaneTT shirt and a 20% member's discount code to buy table tennis equipment on DHS-tt.uk. (cannot be combined with other offers and excluding coaching courses which are provided by partnering coaches). HurricaneTT Shirt and Wristband are encouraged to be worn any training and competitions as often as possible to help promote HurricaneTT.

Team

You can also form a Hurricane team with your friends to play matches in your area. Once all your team mates register as HurricaneTT members and your club agrees for your team to be sponsored by us, we ask you to name your team linking your area to HurricaneTT, for example the team name could be "Edinburgh Hurricanes". You, your team mates and your club will then receive 30% discount as our sponsorship for anything you buy on DHS-tt.uk.
